### Chilled Drinks Dispensers

We are pleased to offer two types of Chilled Drinks Dispensers manufactured by Sencotel.

The Enfriadores E-6+6 (pictured right) is designed to dispense two different drinks, either squashes or fruit juices.

The Enfriadores E112 (pictured left) dispenses a single product from a 12 Litre bowl. It has a large diameter pinch tube making it suitable for Milk based drinks and Juices containing bits, such as Freshly Squeezed Orange Juice.
